

Personal Philosophy by Jim Rohn

“Economic disaster begins with a philosophy of doing less and wanting more.”

“If you want to amend your errors, you must begin by amending your philosophy.”

“The only thing worse than not reading a book in the last ninety days is not reading a book in the last ninety days and thinking that it doesn't matter.”

“Your personal philosophy is the greatest determining factor in how your life works out.”

“Initial response illustrates a great deal about someone's personal philosophy.”

“Only human beings can reorder their lives any day they choose by refining their philosophy.”

“The key factor that will determine your financial future is not the economy; the key factor is your philosophy.”
